PROPOSAL FOR ECTS SURVEY – INTERNAL!!!

QUESTIONNAIRE ON THE ACTUAL STUDENT WORKLOAD

With the help of this questionnaire, the student council wishes to determine the actual workload of students enrolled in new degree programmes. Your personal data and answers will remain anonymous and will be used only for the purpose of improving the quality of the educational process. Thank you very much for your cooperation.

UM member: _____ (entered by AIPS) Course: _____ (entered by AIPS)
 Degree programme: _____ (entered by AIPS) Course coordinator: _____ (entered by AIPS)
 Year: _____ (entered by AIPS)

Note:

Please indicate whether the programme envisages the correct number of workload hours. Discrepancies should be entered into the relevant field.

Example: Within the number of workload hours envisaged by the syllabus, only 10 out of 12 topics could be discussed. In this case, mark “too many” and enter the estimated discrepancy in the number of workload hours (e.g. 20). Repeat this procedure for each course type.

Course type (entered by AIPS)	Number of workload hours envisaged by the syllabus (entered by AIPS)	Envisaged number of hours for this course type (filled in by the student)			Estimated discrepancy in the number of workload hours; without units (filled in by student)
Classes		(-) not enough	(-) adequate	(-) too many	
Seminar course		(-) not enough	(-) adequate	(-) too many	
Lab course		(-) not enough	(-) adequate	(-) too many	
		Compared to the envisaged number of workload hours, I have spent X hours on individual work (filled in by student)			
Individual work		(-) more time	(-) the same amount of time	(-) less time	

Final grade: ____ (entered by AIPS)
