

International Staff Training Weeks

At the University of Porto

**14th to 18th of March** (Portuguese Language)

**2nd to 6th of May** (English Language)

**7th to 11th of November** (English Language)

We are very pleased to announce that the University of Porto will host the International Staff Training Week in 3 different dates next year!

The programme will comprise a range of issues for different professional backgrounds through interactive group sessions including, in this edition, workshops and short certificated training course among others. With this initiative, we wish to open the University of Porto to our partners and other foreign universities in order to strengthen international cooperation by encouraging the exchange of best practices and experiences. Next year's programme was specifically designed with a bigger flexibility to reach the availability of all Partner Institutions, therefore consisting of 3 different editions (being the first one conceived for Portuguese speaking participants only).

In order to make more comfortable the organization of the participants' travel to Porto, we decided to centralize in our office the reservations of accommodation and meals assuring special rates for our guests (through specific protocols with hotels and restaurants in the city). Therefore, there will be a fee of 550,00 Euros/participant, which will include both work and social programme:

- Accommodation for all participants for 6 nights in a single room with breakfast included;
- 5 Lunches;
- Information Kit;
- Coffee-breaks;
- Social Programme;
- Multicultural Dinner;
- Certificate of attendance.

U.Porto invites you to share your experiences and to discuss good practices in a wonderful city!

More details will be announced towards the end of 2015 nevertheless, if you wish to be informed in the meantime, please do not hesitate to contact us at [international@reit.up.pt](mailto:international@reit.up.pt).

We look forward to welcoming you in Porto!
