Selection criteria in the event of limited enrolment:

If the number of applications exceeds the number of positions available, candidates will be ranked according to their academic performance under the bachelor's programme:

- grade point average (60%);
- grade awarded for the bachelor's thesis (40%).

If the bachelor's thesis is not required for completion of the programme, only the grade point average shall be taken into account (100%).

Transfer criteria:

In accordance with the transfer criteria, candidates may transfer to the master's (2nd-cycle) programme "Tourism" from programmes in the field of tourism provided they lead to the acquisition of comparable competencies and provided that at least

half of the obligations under the former study programme relating to compulsory subjects of the new programme can be recognized.

Under the recognition process, satisfied obligations that may be recognized fully or partially are identified and new obligations required for completion of the new programme are laid down.

Mode of study: full-time and part-time

The part-time study will be implemented in the event of 10 enrolled candidates.

Number of available positions: The number of positions available is published in a table, which is attached to and represents an integral part of the call text.
