

ABOUT FEB UM

In 2019, the Faculty of Economics and Business of the University of Maribor (FEB UM) celebrated its 60th anniversary. During all these years, more than 32,000 students graduated at FEB UM, hence acquiring different professional and scientific titles. The Faculty endeavors to be distinctive regarding the quality of the study programs and competence of graduates. FEB UM has internationally accredited its study programmes with the Accreditation Council for Business Schools and Programs (ACBSP), the European Council for Business Education (ECBE) and the Association to Advance Collegiate Schools of Business (AACSB). International integration of FEB UM is also evident from more than 180 concluded ERASMUS+ agreements and more than 30 bilateral agreements with European and non-European partner institutions.

FEB UM is aware of the importance of research excellence and the interconnection between the scientific work and pedagogical activities. The Faculty contributes to the holistic development of individuals and participates in the development of the economy and community at both the national and wider European levels through its synthesis of economics and business research and education.
